BHEF Summer Academy 2020 High School Program

POLICIES AND CONDITIONS

These policies and conditions are subject to change. Please visit www.bhef.org for the latest information.

Refund Policy

All requests for refunds must be in strict compliance with the deadlines below and must be made in writing by emailing the Summer Academy at office@bhef.org. **There are no exceptions to this policy.**

If BHEF Summer Academy cancels a class, you will receive a full refund.

If you wish to withdraw from a class, our Refund Policy is as follows:

- Requests received by **May 1, 2020** will be honored for a partial refund of **50%**, less a **\$100.00** processing fee.
- The \$25 registration fee is non-refundable.
- **No refund requests will be considered after May 1, 2020. No exceptions to this policy.**

Attendance Policy

- All students **MUST** attend the **FIRST** and **LAST** day of their assigned summer school class. If a student is signed up for a two-semester class, the student **MUST** attend the **FIRST** and **LAST** days of both semesters.
- Students in Blended Learning classes **MUST** attend the **FIRST** and **LAST** day of their assigned summer school class as well as attend 2 scheduled meetings per semester. Any student who does not meet with his/her teacher at their scheduled times will fail the course.
- There are no excused absences during summer school. Students will be dropped from classes if they are absent for **MORE THAN 1 DAY PER SESSION**.
- Students who expect to earn full credit must attend the entire summer session.
- Four tardies (of three or more minutes) will count as one full absence (per session).
- Any student not in attendance on the first day will be dropped in favor of a student on the waiting list.
- Any student not in attendance on the last day will not pass the class and/or receive credit.
- There are no refunds if a student is dropped due to non-compliance with the Attendance Policy.

There are no exceptions to this policy.

Class Cancellations

There must be at least 15 students enrolled in a class for the class to take place during the Summer Academy. If there are under 15 students enrolled before the end of the registration period, the class will most likely be cancelled and your tuition fees will be refunded in full. Should a class be cancelled, we apologize for the inconvenience in advance.

Credit Recovery Classes

If a student is recommended by their counselor to take one or both semesters of classes such as Algebra, Biology, Chemistry, English, Physics, U.S. History, World History/Geography, please note that this is strictly for **credit recovery** purposes. Students taking two-semester classes **MUST** take both semesters unless a student is making up one or both semesters due to a failing grade during the regular school year.

Beverly Hills Summer Academy 2020 High School Program

COURSE DESCRIPTIONS

Please consult with your guidance counselor before registering. Eligibility is determined by the grade you are entering in Fall 2020. (All class offerings are subject to policies and conditions.)

NEW TO SUMMER SCHOOL!

BLENDING LEARNING OPTIONS – Online & In Person!!

Blended Learning is an instructional strategy in which students work independently while under the supervision of a certificated teacher. Students will follow the District's adopted curriculum which meets the District's graduation requirements. Blended Learning offers flexibility to meet individual student needs, interests, and styles of learning. Instruction will be delivered through a mixture of technology and traditional face-to-face instruction. **Students are required to attend school on the first day of the semester, schedule and meet with their instructor 2 times during each semester for individual meetings to monitor progress, answer questions and support learning, and must attend on the last day of the semester to take the final exam.** The online curriculum of these courses will be delivered through a program called APEX Learning. In the event that a student needs extra support, a subject-specific teacher will hold office hours for tutoring weekly.

Students need to come prepared on the first day of each semester to schedule 2 meetings with their teacher that will take place on the dates listed below during each semester in which they are enrolled, and attend school on the last day of the semester to take the final exam. **THERE ARE NO EXCEPTIONS.** Should a student fail to meet with his/her teacher, the student will fail the course.

Students may select a single semester for credit recovery. **Blended Learning courses are available to BHUSD Students ONLY.** Students will utilize BHUSD laptops. Students are responsible for arranging their own internet access when off campus in order to access Blended Learning courses.

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)
Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Visual and Performing Arts

Music Appreciation

Grades: 9-12

Credits: 10

***BLENDED LEARNING COURSE**

Music Appreciation introduces students to the history, theory, and genres of music, from the most primitive surviving examples through the classical to the most contemporary in the world at large. The course is offered in a two-semester format. The course explores the interface of music and social movements and examines how the emergent global society and the Internet bring musical forms together in new ways from all around the world.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements) and meets the UC VPA course requirement. According to the UC guidelines, students must be exposed to one year (i.e. 2 semesters) of VPA course content in the same arts discipline, but the semesters must be taken in sequence. This course is restricted to current BHUSD students.

Length: Two Semesters (must take BOTH SEMESTERS)

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)

Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Fee: \$880 for both semesters

Photography

Grades: 9-12

Credits: 5-10

***TRADITIONAL CLASSROOM COURSE**

This course emphasizes the basic procedures involved in Digital and Traditional Photography. Photographic compositions, the principles of the camera and film, and the history of photography are also covered. Students will maintain a traditional and digital portfolio consisting of a series of original photographic artworks and a photo journal of reflective writing and critique. Semester 1 stresses basic principles such as camera control and film and paper processing. Semester 2 emphasizes thematic shooting, archival preparation, and alternative processes. Students must provide their own cameras and materials (cost is approximately \$125-\$175.)

Prerequisites: None

This course meets the UC VPA course requirement. According to the UC guidelines, students must be exposed to one year (i.e. 2 semesters) of VPA course content in the same arts discipline, but the semesters must be taken in sequence. Students wishing to take Semester 1, but not Semester 2, should contact BHEF at 310-557-0651 for special arrangements.

Length: One AND/OR Both Semesters

Choose ONE or BOTH SEMESTERS:

Semester 1 8:00 am – 1:20 pm, 12 days, June 8 – 23, Monday - Friday

Semester 2 8:00 am – 1:20 pm, 12 days, June 24 – July 10, Monday – Friday (No class July 3)

Fee: \$440 per semester + lab fee: \$25 (In addition to materials to be purchased by student.)

Fee: \$880 for both semesters + lab fee: \$50 (In addition to materials to be purchased by student.)

Photography Materials List • 35mm single lens reflex camera (capable of operating in manual mode). Camera must be in good working order. (There are many inexpensive used cameras for sale at sites such as amazon.com) The “Canon Rebel 35mm” is a great value and usually costs around \$50. • A three ring binder to contain pictures • Package of 50 sheet protectors • 5 Rolls 400 ISO Ilford 35mm black and white film (other brands may be substituted) • One 8x10, 50-sheet Package of Ilford® brand, black and white photographic paper. Paper must be (glossy or pearl), RC, and Polycontrast. • Ten 11x14 mat boards for mounting photos (black on one side, white on the other)

Photographic Supply Stores:

- **Freestyle Photographic Supplies:** 5124 Sunset Boulevard, Hollywood, CA 90027
www.freestylephoto.biz • Tel: 323-660-3460
- **Samy's Camera:** 431 South Fairfax Avenue, Los Angeles, CA 90036, Tel: 323-938-2420

English

Creative Writing

Grades: 11-12

Credits: 5

***BLENDED LEARNING COURSE**

Creative Writing is a one-semester, 5-credit English elective course that focuses on the exploration of short fiction and poetry, culminating in a written portfolio that includes one revised short story and three to five polished poems. Students draft, revise, and polish fiction and poetry through writing exercises, developing familiarity with literary terms and facility with the writing process as they study elements of creative writing.

Prerequisites: English 10

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students. This course qualifies for elective credit towards BHHS graduation.

Length: One Semester

Choose ONE:

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)

Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Fee: \$440 per semester

AP/Honors Bridge & Writing Prep

Grades: 9-12

Credits: 5

***TRADITIONAL CLASSROOM COURSE**

This skills-based course is designed for any student who is scheduled to take or would someday like to try an AP/Honors English course or would like to prepare for high school academics. This course prepares students for the academic rigors of upper-level high school classes and course is particularly effective when paired with Health during the summer. Students of all levels are welcome. Classroom instruction is directed toward close reading, note-taking, study skills, and written composition. In the past, this class has helped many students make a successful transition to Honors English courses as well as other reading-intensive classes like AP Biology and AP History courses.

Prerequisites: None

This course qualifies for elective credit towards BHHS graduation.

Length: One Semester

Semester 1 8:00 am – 1:20 pm, 12 days, June 8 – 23, Monday - Friday

Fee: \$440 for Semester 1

Health

Health Education

Grades: 9-12

Credits: 5

***TRADITIONAL CLASSROOM COURSE**

Health Education is a one-semester, 5-credit course. Topics discussed are drug education, preventing disease, including heart disease and cancer, environmental health, emotional health, physical fitness, nutrition, and sex education, including venereal diseases.

Prerequisites: None

This course fulfills the health requirement towards BHHS graduation.

Length: One Semester

Choose ONE:

Semester 1 8:00 am – 1:20 pm, 12 days, June 8 – 23, Monday - Friday

Semester 2 8:00 am – 1:20 pm, 12 days, June 24 – July 10, Monday – Friday (No class July 3)

Fee: \$440 per semester

Health Education	Grades: 10-12	Credits: 5
-------------------------	----------------------	-------------------

***BLENDED LEARNING COURSE**

Health Education is a one-semester, 5-credit course. Topics discussed are drug education, preventing disease, including heart disease and cancer, environmental health, emotional health, physical fitness, nutrition, and sex education, including venereal diseases.

Prerequisites: None.

This course fulfills the health requirement towards BHHS graduation. This course is restricted to current BHUSD students in Grades 10-12.

Length: One Semester

Choose ONE:

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)

Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Fee: \$440 per semester

Mathematics

Algebra B	Grades: 9-12	Credits: 10
------------------	---------------------	--------------------

***BLENDED LEARNING COURSE**

Algebra B addresses the need for an expanded, two-year treatment of traditional high school Algebra I curriculum. Course topics include a review of introductory algebra, measurement, graphing data, linear equations, systems of linear equations, polynomials, factoring of polynomials factoring of quadratic functions, and rational expressions.

Prerequisites: Algebra A with the Algebra A teacher recommendation.

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students.

Length: Two Semesters (must take BOTH SEMESTERS)

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)

Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Fee: \$880 for both semesters

Geometry	Grades: 9-12	Credits: 10
-----------------	---------------------	--------------------

***TRADITIONAL CLASSROOM COURSE**

This is two-semester, 10-credit. Topics include proofs, congruencies, similarity, triangles, perpendiculars, parallels, coordinate geometry, transformations, circles, spheres, areas, and volumes. Algebraic techniques are used extensively and formal proofs of theorems are required. This is a rigorous course requiring several hours of homework each day, including weekends.

Prerequisites:

- For incoming 9th Grade Students: A or high B in 8th Grade Algebra

- For current High School Students: Completion of high school Algebra 1

This course is CSU and UC-approved (a-g subject requirements).

Length: Two Semesters (must take BOTH SEMESTERS)

Semester 1 8:00 am – 1:20 pm, 12 days, June 8 – 23, Monday - Friday

Semester 2 8:00 am – 1:20 pm, 12 days, June 24 – July 10, Monday – Friday (No class July 3)

Fee: \$880 for both semesters

Honors Geometry **Grades: 9-12** **Credits: 10**

***TRADITIONAL CLASSROOM COURSE**

This two-semester, 10-credit course is designed for students with strong interest and ability in math and/or science. This is not the Basic Geometry course offered at BHHS. Topics include proofs, congruencies, similarity, triangles, perpendiculars, parallels, coordinate geometry, transformations, circles, spheres, areas, and volumes. Algebraic techniques are used extensively and formal proofs of theorems are required. This is a rigorous course requiring several hours of homework each day, including weekends.

Prerequisites:

- For incoming 9th Grade Students: A or high B in 8th Grade Honors Algebra

- For current High School Students: A or high B in Algebra 1

This course is CSU and UC-approved (a-g subject requirements).

Length: Two Semesters (must take BOTH SEMESTERS)

Semester 1 8:00 am – 1:20 pm, 12 days, June 8 – 23, Monday - Friday

Semester 2 8:00 am – 1:20 pm, 12 days, June 24 – July 10, Monday – Friday (No class July 3)

Fee: \$880 for both semesters

Pre-Calculus **Grades: 10-11** **Credits: 10**

***TRADITIONAL CLASSROOM COURSE**

This two-semester, 10-credit class is designed for students with a strong interest in math and/or science, and is a prerequisite for AP Calculus AB. Topics include analytic trigonometry, sequences, series, math induction, algebraic functions, applications of exponential and logarithmic functions, conics, vectors, matrices, complex numbers, and data analysis. This is a rigorous class requiring several hours of homework each day, including weekends.

Prerequisites: Grade of B or better in both semesters of Algebra 2

This course is CSU and UC-approved (a-g subject requirements).

Length: Two Semesters (must take BOTH SEMESTERS)

Semester 1 8:00 am – 1:20 pm, 12 days, June 8 – 23, Monday - Friday

Semester 2 8:00 am – 1:20 pm, 12 days, June 24 – July 10, Monday – Friday (No class July 3)

Fee: \$880 for both semesters

Science

Biology **Grades: 10-12** **Credits: 10**

***TRADITIONAL CLASSROOM COURSE**

This course utilizes a laboratory approach to introduce the student to the main concepts and principles of modern biology. Such topics as biochemistry, cell biology, physiology, reproduction, heredity and ecology are explored. Emphasis is placed not only on biological theories, but also on the evidence for such theories and the methods by which this evidence is gathered. This is a rigorous course requiring several hours of homework each day, including weekends.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements).

Length: Two Semesters (must take BOTH SEMESTERS)

Semester 1 8:00 am – 1:20 pm, 12 days, June 8 – 23, Monday - Friday

Semester 2 8:00 am – 1:20 pm, 12 days, June 24 – July 10, Monday – Friday (No class July 3)

Fee: \$880 for both semesters + lab fee: \$75

Chemistry	Grades: 10-12	Credits: 10
*TRADITIONAL CLASSROOM COURSE		

This 10-credit course is a laboratory-based, college-preparatory course designed to present an integrated and relevant approach to basic scientific principles regarding the nature and activity of matter. Areas studied are atomic structure, kinetic theory, the periodic table, the mole concept, chemical bonding, reaction rates, organic chemistry, and biochemistry. This is a rigorous course requiring several hours of homework each day, including weekends.

Prerequisites: *Grade of C or better in Biology, Algebra, and Geometry*

This course is CSU and UC-approved (a-g subject requirements).

Length: Two Semesters (must take BOTH SEMESTERS)

Semester 1 8:00 am – 1:20 pm, 12 days, June 8 – 23, Monday - Friday

Semester 2 8:00 am – 1:20 pm, 12 days, June 24 – July 10, Monday – Friday (No class July 3)

Fee: \$880 for both semesters + lab fee: \$150

Physics	Grades: 10-12	Credits: 10
*BLENDED LEARNING COURSE		

This course provides students with opportunities to learn and practice critical scientific skills within the context of relevant scientific questions. Topics include the nature of science, math for physics, energy, kinematics, force and motion, momentum, gravitation, chemistry for physics, thermodynamics, electricity, magnetism, waves, nuclear physics, quantum physics, and cosmology.

Prerequisites: *Grade C or better in Biology, Algebra, and Geometry*

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students.

Length: Two Semesters (must take BOTH SEMESTERS)

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)

Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Fee: \$880 for both semesters

Social Science/History

US History/Geography	Grades: 11-12	Credits: 10
*BLENDED LEARNING COURSE		

United States History/Geography begins with the establishment of European colonies in North America and then traces the nation's history from post-Civil War to the present. This course emphasizes the development of historical analysis skills such as comparing and contrasting, differentiating between facts and interpretations, considering multiple perspectives, and analyzing cause-and-effect relationships. These skills are applied to text interpretation and in written assignments that guide learners step-by-step through problem-solving activities.

Prerequisites: *None*

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students.

Length: Two Semesters (must take BOTH SEMESTERS)

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)

Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Fee: \$880 for both semesters

World History/Geography**Grades: 10-12****Credits: 10*****TRADITIONAL CLASSROOM COURSE**

This two-semester, 10-credit course emphasizes the major turning points that shaped the modern world, from the late 18th century through the present, including the cause and course of the two world wars. Students will draw upon their earlier study of ancient and medieval history to trace the rise of democratic ideas and develop an understanding of the historical roots of current world issues, especially as they pertain to international relations. Students will extrapolate from the American experience that democratic ideals are often achieved at a high price, remain vulnerable, and are not practiced everywhere in the world. This is a rigorous course requiring several hours of homework each day, including weekends, and is especially useful for students interested in taking AP European History.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements).

Length: Two Semesters (must take BOTH SEMESTERS)**Semester 1** 8:00 am – 1:20 pm, 12 days, June 8 – 23, Monday - Friday**Semester 2** 8:00 am – 1:20 pm, 12 days, June 24 – July 10, Monday – Friday (No class July 3)**Fee: \$880 for both semesters****College Preparatory Electives****Information Technology Applications****Grades: 9-12****Credits: 5*****BLENDED LEARNING COURSE**

Information Technology Applications is a one-semester, 5-credit course that prepares students to work in the field of Information Technology. Students will be able to demonstrate digital literacy through basic study of computer hardware, operating systems, networking, the Internet, web publishing, spreadsheets, and database software. Through a series of hands-on activities, students will learn what to expect in the field of Information Technology and begin exploring career options in the field.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students. This course qualifies for elective credit towards BHHS graduation.

Length: One Semester

Choose ONE:

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)**Semester 2** June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)**Fee: \$440 per semester**

Intro. to Business & Technology **Grades: 9-12** **Credits: 10**

***BLENDED LEARNING COURSE**

Introduction to Business and Technology provides the foundational knowledge and skills students need for careers in business and technology. Throughout the course, students gain a knowledge of business principles and communication skills, an understanding of the impact of financial and marketing decisions, and proficiency in the technologies required by business. Students will also learn the essentials of working in a business environment, managing a business, and owning a business.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students. This course qualifies for elective credit towards BHHS graduation.

Length: Two Semesters (must take BOTH SEMESTERS)

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)

Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Fee: \$880 for both semesters

Legal Environment of Business **Grades: 9-12** **Credits: 10**

***BLENDED LEARNING COURSE**

Legal Environment of Business examines the role of the law on all aspects of business ownership and management. Throughout the course, students focus on legal ethics, court procedures, torts, contracts, consumer law, property law, employment law, environmental law, and international law. Students also explore the impact of laws, regulations, and judicial decisions on society at large.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students. This course qualifies for elective credit towards BHHS graduation.

Length: Two Semesters (must take BOTH SEMESTERS)

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)

Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Fee: \$880 for both semesters

Principles of Information Technology **Grades: 9-12** **Credits: 10**

***BLENDED LEARNING COURSE**

Principles of Information Technology prepares students to succeed in the workplace. Students begin by establishing an awareness of the roles essential to an organization's success, and then work to develop an understanding of professional communications and leadership skills. In doing so, students gain proficiency with word processing, email, and presentation management software. Students will also be able to demonstrate digital literacy through basic study of computer hardware, operating systems, networking, the Internet, web publishing, spreadsheets, and database software.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students. This course qualifies for elective credit towards BHHS graduation.

Length: Two Semesters (must take BOTH SEMESTERS)

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)

Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Fee: \$880 for both semesters

Psychology**Grades: 9-12****Credits: 5*****BLENDED LEARNING COURSE**

Psychology is a one-semester, 5 credit course which provides a solid overview of the field's major domains: methods, biopsychology, cognitive and developmental psychology, and variations in individual and group behavior. By focusing on significant scientific research and on the questions that are most important to psychologists, students see psychology as an evolving science.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students. This course qualifies for elective credit towards BHHS graduation.

Length: One Semester

Choose ONE:

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)**Semester 2** June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)**Fee: \$440 per semester****Sociology****Grades: 9-12****Credits: 5*****BLENDED LEARNING COURSE**

Sociology is a one-semester, 5 credit course which examines why people think and behave as they do in relationships, groups, institutions, and societies. Major course topics include individual and group identity, social structures and institutions, social change, social stratification, social dynamics in recent and current events, the effects of social change on individuals, and the research methods used by social scientists.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students. This course qualifies for elective credit towards BHHS graduation.

Length: One Semester

Choose ONE:

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)**Semester 2** June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)**Fee: \$440 per semester**

Classes for Credit Recovery ONLY

These classes are for Beverly Hills High School students who have failed a specific class and now need to make up that class in order to graduate. The classes must be recommended by student's counselor.

If you are an Out-of-District student, please have the express approval of your school/counselor to take any of the classes listed below.

Algebra 1 **Grades: 10-12** **Credits: 5-10** ***BLENDED LEARNING COURSE**

This course is for credit recovery only.

Algebra I builds students' command of linear, quadratic, and exponential relationships. Course topics include problem-solving with basic equations and formulas, an introduction to functions, problem solving, linear equations, systems of linear equations, exponents and exponential functions, sequences and functions, descriptive statistics, polynomials and factoring, quadratic equations and functions, and function transformations and inverses.

Prerequisites: Please consult with your guidance counselor before registering to determine eligibility.

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students.

Length: One AND/OR Both Semesters

Choose ONE or BOTH SEMESTERS:

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)

Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Fee: \$440 per semester

Fee: \$880 for both semesters

Algebra 2 **Grades: 10-12** **Credits: 5-10** ***BLENDED LEARNING COURSE**

This course is for credit recovery only.

Algebra II introduces students to advanced functions, with a focus on developing a strong conceptual grasp of the expressions that define them. Course topics include quadratic equations, polynomial functions, rational expressions and equations, radical expressions and equations, exponential and logarithmic functions, trigonometric identities and functions, modeling with functions, probability and inferential statistics, probability distributions, and sample distributions and confidence intervals.

Prerequisites: Algebra 1 and Geometry. Please consult with your guidance counselor before registering to determine eligibility.

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students.

Length: One AND/OR Both Semesters

Choose ONE or BOTH SEMESTERS:

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)

Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Fee: \$440 per semester

Fee: \$880 for both semesters

Geometry**Grades: 10-12****Credits: 5-10*****TRADITIONAL LEARNING COURSE****This course is for credit recovery only.**

Geometry builds upon students' command of geometric relationships and formulating mathematical arguments. Course topics include reasoning, proof, and the creation of sound mathematical arguments; points, lines, and angles; triangles and trigonometry; quadrilaterals and other polygons; circles; congruence, similarity, transformations, and constructions; coordinate geometry; three-dimensional solids; and applications of probability.

Prerequisites: *Completion of Algebra 1. Please consult with your guidance counselor before registering to determine eligibility.*

This course is CSU and UC-approved (a-g subject requirements).

Length: One AND/OR Both Semesters

Choose ONE or BOTH SEMESTERS:

Semester 1 8:00 am – 1:20 pm, 12 days, June 8 – 23, Monday - Friday**Semester 2** 8:00 am – 1:20 pm, 12 days, June 24 – July 10, Monday – Friday (No class July 3)**Fee: \$440 per semester****Fee: \$880 for both semesters****English 9****Grades: 10-12****Credits: 5-10*****BLENDED LEARNING COURSE****This course is for credit recovery only.**

The English 9 course is an overview of exemplar selections of literature in fiction and nonfiction genres. Students read short stories, poems, a full-length novel, and a full-length Shakespeare play, analyzing the use of elements of literature in developing character, plot, and theme. Throughout the course, students respond to others' claims and support their own claims in essays, discussions, and presentations, consistently using thorough textual evidence.

Prerequisites: *None*

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students.

Length: One AND/OR Both Semesters

Choose ONE or BOTH SEMESTERS:

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)**Semester 2** June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)**Fee: \$440 per semester****Fee: \$880 for both semesters**

English 10**Grades: 11-12****Credits: 5-10*****BLENDED LEARNING COURSE****This course is for credit recovery only.**

The focus of the English 10 course is the writing process. Three writing applications guide the curriculum: persuasive, expository, and narrative writing. Each lesson culminates in a written assignment that allows students to demonstrate their developing skill in one of these applications. English 10 also continues to develop students' reading, listening, and speaking skills.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students.

Length: One AND/OR Both Semesters

Choose ONE or BOTH SEMESTERS:

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)**Semester 2** June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)**Fee: \$440 per semester****Fee: \$880 for both semesters****English 11****Grades: 12****Credits: 5-10*****BLENDED LEARNING COURSE****This course is for credit recovery only.**

In the English 11 course, students analyze a wide range of literature, both fiction and nonfiction. They build writing skills by composing analytical essays, persuasive essays, personal narratives, and research papers. In order to develop speaking and listening skills, students participate in discussions and prepare speeches.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students.

Length: One AND/OR Both Semesters

Choose ONE or BOTH SEMESTERS:

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)**Semester 2** June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)**Fee: \$440 per semester****Fee: \$880 for both semesters**

Biology**Grades: 10-12****Credits: 5-10*****TRADITIONAL CLASSROOM COURSE****This course is for credit recovery only.**

This course utilizes a laboratory approach to introduce the student to the main concepts and principles of modern biology. Such topics as biochemistry, cell biology, physiology, reproduction, heredity and ecology are explored. Emphasis is placed not only on biological theories, but also on the evidence for such theories and the methods by which this evidence is gathered. This is a rigorous course requiring several hours of homework each day, including weekends. Students may select a single semester for credit recovery.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements).

Length: One AND/OR Both Semesters

Choose ONE or BOTH SEMESTERS:

Semester 1 8:00 am – 1:20 pm, 12 days, June 8 – 23, Monday - Friday**Semester 2** 8:00 am – 1:20 pm, 12 days, June 24 – July 10, Monday – Friday (No class July 3)**Fee: \$440 per semester + lab fee: \$35****Fee: \$880 for both semesters + lab fee: \$75****Environmental Science****Grades: 9-12****Credits: 5-10*****BLENDED LEARNING COURSE****This course is for credit recovery only.**

Environmental Science explores the biological, physical, and sociological principles related to the environment in which organisms live on Earth, the biosphere. Course topics include natural systems on Earth, biogeochemical cycles, the nature of matter and energy, the flow of matter and energy through living systems, populations, communities, ecosystems, ecological pyramids, renewable and non-renewable natural resources, land use, biodiversity, pollution, conservation, sustainability, and human impacts on the environment.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students.

Length: One AND/OR Both Semesters

Choose ONE or BOTH SEMESTERS:

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)**Semester 2** June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)**Fee: \$440 per semester****Fee: \$880 for both semesters**

Chemistry**Grades: 10-12****Credits: 5-10*****TRADITIONAL CLASSROOM COURSE****This course is for credit recovery only.**

This 10-credit course is a laboratory-based, college-preparatory course designed to present an integrated and relevant approach to basic scientific principles regarding the nature and activity of matter. Areas studied are atomic structure, kinetic theory, the periodic table, the mole concept, chemical bonding, reaction rates, organic chemistry, and biochemistry. This is a rigorous course requiring several hours of homework each day, including weekends. Students may select a single semester for credit recovery.

Prerequisites: *Grade of C or better in Biology, Algebra, and Geometry.*

This course is CSU and UC-approved (a-g subject requirements).

Length: One AND/OR Both Semesters

Choose ONE or BOTH SEMESTERS:

Semester 1 8:00 am – 1:20 pm, 12 days, June 8 – 23, Monday - Friday

Semester 2 8:00 am – 1:20 pm, 12 days, June 24 – July 10, Monday – Friday (No class July 3)

Fee: \$440 per semester + lab fee: \$75

Fee: \$880 for both semesters + lab fee: \$150

Physics**Grades: 10-12****Credits: 5-10*****BLENDED LEARNING COURSE****This course is for credit recovery only.**

This course provides students with opportunities to learn and practice critical scientific skills within the context of relevant scientific questions. Topics include the nature of science, math for physics, energy, kinematics, force and motion, momentum, gravitation, chemistry for physics, thermodynamics, electricity, magnetism, waves, nuclear physics, quantum physics, and cosmology.

Prerequisites: *Grade C or better in Biology, Algebra, and Geometry. Please consult with your guidance counselor before registering to determine eligibility.*

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students.

Length: One AND/OR Both Semesters

Choose ONE or BOTH SEMESTERS:

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)

Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Fee: \$440 per semester

Fee: \$880 for both semesters

US History/Geography
***BLENDED LEARNING COURSE**

Grades: 10-12

Credits: 5-10

This course is for credit recovery only.

United States History/Geography begins with the establishment of European colonies in North America and then traces the nation's history from post-Civil War to the present. This course emphasizes the development of historical analysis skills such as comparing and contrasting, differentiating between facts and interpretations, considering multiple perspectives, and analyzing cause-and-effect relationships. These skills are applied to text interpretation and in written assignments that guide learners step-by-step through problem-solving activities.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements). This course is restricted to current BHUSD students.

Length: One AND/OR Both Semesters

Choose ONE or BOTH SEMESTERS:

Semester 1 June 8 (8:00 am), June 11 (time TBD), June 17 (time TBD), June 23 (8:00 am)

Semester 2 June 24 (8:00 am), June 26 (time TBD), July 2 (time TBD), July 10 (8:00 am)

Fee: \$440 per semester

Fee: \$880 for both semesters

World History

Grades: 10-12

Credits: 5-10

***TRADITIONAL CLASSROOM COURSE**

This course is for credit recovery only.

This two-semester, 10-credit course emphasizes the major turning points that shaped the modern world, from the late 18th century through the present, including the cause and course of the two world wars. Students will draw upon their earlier study of ancient and medieval history to trace the rise of democratic ideas and develop an understanding of the historical roots of current world issues, especially as they pertain to international relations. Students will extrapolate from the American experience that democratic ideals are often achieved at a high price, remain vulnerable, and are not practiced everywhere in the world. This is a rigorous course requiring several hours of homework each day, including weekends. Students may select a single semester for credit recovery.

Prerequisites: None

This course is CSU and UC-approved (a-g subject requirements).

Length: One AND/OR Both Semesters

Choose ONE or BOTH SEMESTERS:

Semester 1 8:00 am – 1:20 pm, 12 days, June 8 – 23, Monday - Friday

Semester 2 8:00 am – 1:20 pm, 12 days, June 24 – July 10, Monday – Friday (No class July 3)

Fee: \$440 per semester

Fee: \$880 for both semesters
