A Letter from the President

Since our founding in 1978, the Beverly Hills Education Foundation (BHEF) has donated millions of dollars to our local schools thanks to the generosity of both residents and businesses.

I am asking you to partner with us to meet the goals of our mission to fund quality programs to ensure the college and career readiness of our students. Your BHEF Business Sponsorship will provide essential funding to help us sustain and grow important programs that are the foundation of a world-class education.

As a BHEF business sponsor, you will be connecting with over 9,000 BHUSD parents, teachers, staff, and community members. Please see the description of our various business sponsorship levels which provide for additional marketing benefits to your business.

If you have any questions please email us at manager@bhef.org or call our office at (310) 557-0651 for further information. Thank you for your consideration. We look forward to working with you!

Sincerely,

Cindy Trost
BHEF President

Your generous donation will enhance our students' career exploration experiences by funding industry certifications across our pathway sectors (e.g., Food Handling certifications, Broadcast certifications, OSHA certifications), stipends for BHHS Alum teaching assistants, equipment/supplies for all our programs, as well as adviser stipends related to national competition expenses.
